

Dr. Wilson's Dynamite Adrenal

Item #75760 300 grams (10.6 oz.)

Item #76150 900 grams (31.7 oz.)

The Possible Benefits of Dr. Wilson's Dynamite Adrenal, a Dietary Supplement

- Supports adrenal function and stress neutralization, and normal adrenal hormone production*
- May be taken for daily maintenance of healthy adrenal glands*
- May also be used as a daily multi-vitamin/mineral formula

"I created Dr. Wilson's Dynamite Adrenal formula to provide an optimal combination of the specific nutrients essential for those who suffer from stress and adrenal fatigue to: 1) support adrenal function for improved protection from stress and; 2) to normalize adrenal hormone production. The results have been fantastic!" - James L. Wilson, D.C., N.D., Ph.D.

Description

Dr. Wilson's Dynamite Adrenal is a state of the art multi-nutrient formula designed to provide comprehensive nutritional support for the adrenal glands during times of stress and "adrenal fatigue." Based on the latest scientific and clinical research, Dr. Wilson's Dynamite Adrenal formula includes exacting amounts of all the key vitamins, minerals, amino acids, herbs and glandulars needed by the adrenal glands for stress neutralization, proper adrenal function, and normalization of adrenal hormone production.* Besides offering comprehensive adrenal support for people suffering from stress and "adrenal fatigue", Dr. Wilson's Dynamite Adrenal formula can also be used for daily maintenance of healthy adrenal glands.* In addition, this formula may be used as a daily multi-vitamin/mineral. The formula comes in powder form, offering serving size flexibility and cost savings.

Every time the body experiences stress of any kind, the adrenal glands must respond by producing adrenal hormones such as adrenaline, cortisol, estrogen, testosterone and many others that keep the body feeling energized and healthy. Hormone production requires specific nutrients that the average diet does not contain enough of to balance stressful lifestyles. Without these nutrients, stress undermines health: the nutrient reserves in the adrenal glands become depleted, overworked

and fatigued (adrenal fatigue). Reduced adrenal hormone production not only causes fatigue, irritability, and lowered stress tolerance, but it also increases susceptibility to a variety of health problems including infections, allergies, low sex drive, depression, hypoglycemia, weight gain, PMS, menopausal difficulties, fatigue, sleep problems, inflammatory conditions, and a host of others. The lower the adrenal function, the more profound the negative impact is on every organ and system of the body and the more difficult it becomes to recover from or handle further stress. Dr. Wilson's Dynamite Adrenal formula provides a complement of nutrients to help normalize adrenal hormone production and support adrenal function for optimum health, even during times of stress.*

Dr. James L. Wilson, D.C., N.D., Ph.D., is acknowledged as an expert in alternative medicine, especially in the area of stress and adrenal function. His popular book Adrenal Fatigue: The 21st Century Stress Syndrome has been received enthusiastically both by physicians and the public, and has sold over 100,000 copies. Decades of working with thousands of patients, consulting and teaching almost as many doctors, along with careful research inspired Dr. Wilson to write his book and create Dr. Wilson's Dynamite Adrenal formula.

Serving Size: 1 scoop (approx 10 grams)
Servings Per Container: 30 (#75760) or 90 (#76150)

Amount Per Serving:

Total Carbohydrate	4 g
Dietary Fiber	1 g
Sugars	1 g
Vitamin A (as Retinol Palmitate)	2500 IU
Vitamin C (as Ascorbic Acid)	15 mg
Vitamin D3 (as Cholecalciferol)	200 IU
Vitamin E (as Mixed Tocopherols)	30 IU
Thiamine (as Thiamine Hydrochloride)	12.5 mg
Riboflavin (as Riboflavin-5-Phosphate)	12.5 mg
Niacin (as Inositol Niacinate)	13 mg
Vitamin B6 (80% as Pyridoxine Hydrochloride and 20% as Pyridoxal-5-Phosphate)	50 mg
Folic Acid	300 µg
Biotin	250 µg
Pantothenic Acid (as Calcium Pantothenate)	500 mg
Calcium (as Glycerophosphate)	200 mg
Magnesium (as Citrate/Malate, Glycinate, Ascorbate)	200 mg
Zinc (as Ascorbate)	8 mg
Selenium (as Selenomethionine)	25 µg
Copper (as Gluconate)	0.5 mg
Manganese (as Citrate)	5 mg
Chromium (as Polynicotinate)	100 µg
Sodium (as Ascorbate)	10 mg
Potassium (as Chloride)	2 mg
Pantethine	50 mg
Bioflavonoids	7.5 mg
Choline Bitartrate	25 mg
Para-Aminobenzoic Acid (PABA)	17.5 mg
Glycine	1000 mg
DL-Phenylalanine	250 mg
L-Serine	125 mg
L-Threonine	100 mg
L-Tyrosine	25 mg
EDTA (Calcium)	25 mg
Kelp	25 mg
Proprietary Blend of Porcine Glandulars (Adrenal, Orchic, Hypothalamus, Pituitary)	372 mg
Maca (Root) Extract	275 mg
Ashwagandha (Root) Extract	125 mg
Licorice (Root) Extract	50 mg
Eleuthero (Root) Extract	25 mg
Ginger (Root) Extract	12.5 mg
Ginkgo (Leaf) Extract	12.5 mg
Oat Bran	1000 mg

Other ingredients: Cane juice evaporate, xylitol, toasted carob, maltodextrin, tangerine flavor, vanilla custard flavor, silicon dioxide, salt, carrageenan gum.

Suggested Use: As a dietary supplement, 1 scoop two times daily, or as directed by a healthcare practitioner.
