

XCraving Formula®

With Cassava Source Ascorbic Acid

(Hypoallergenic)

Item # 74910

Available in bottles of 300 grams

The Possible Benefits of XCraving Formula®, a Dietary Supplement

- Provides nutritional support for healthy metabolic rate*
- Supports the body's ability to burn fat rather than store it*

"Calcium can be estimated to reduce the prevalence of overweight... perhaps by as much as 60-80%. I believe that calcium's contribution to weight control may be greater than its contribution to prevent osteoporosis." - Robert Heaney, M.D., Journal of Nutrition, author of over 300 papers on calcium and vitamin D

Description

XCraving® Formula contains Allergy Research Group's Buffered Vitamin C with additional nutrients that support insulin function and blood sugar regulation within normal levels, and the metabolism of

calcium, helping to sustain an appropriate metabolic rate.* Together, these nutrients support the body's ability to burn fat rather than store it.* Developed by Stephen A. Levine, Ph.D.

Each serving (1 heaping teaspoon or 4.7 grams) contains:

Vitamin C (as Ascorbic Acid Cassava Root Source)	2000 mg
Vitamin D3 (as Cholecalciferol)	100 IU
Vitamin K1 (as Phytonadione)	500 µg
Vitamin B6 (as Pyridoxine Hydrochloride)	2.5 mg
Calcium (85% as Calcium Carbonate and 15% as Coral Calcium)	450 mg
Magnesium (as Magnesium Carbonate)	200 mg
Potassium (as Potassium Carbonate)	84 mg
Boron (as Boron Citrate)	1 mg
L-Lysine	40 mg

Other ingredients: Cellulose, xylitol, lemon flavor

Suggested Use: As a dietary supplement, 1 heaping teaspoon or more in 8-12 ounces of liquid, between meals, or as directed by a healthcare practitioner. Two teaspoons supply approximately the recommended dietary allowances for calcium and magnesium.

Warning: Vitamin K over the RDI level (80 mcg) is contraindicated with use of blood thinning medications.
